Phila Sunday. March 18. 1860

James Freeland Esq

D. Sir.

Enclosed I forward you a letter I rec'd from J J Lawrence relative to your Railroad. After reading it please mail it to me at Harrisburg.

Last Friday I expected on calling at Herr's Hotel to find that you had left me sufficient funds to pay for the trouble of drawing your Minersville Slate Run Co bill. but was disappointed.

This is neither just nor fair. I am disposed to serve my acquaintances and friends but not at the expense of time that might have been otherwise employed to advantage. I would not ask it but that my necessities are large. Try & send it down by the mail in which you return the enclosed letter & let me what to do, & who to confer with, in relation to the provisos to be tacked on to the S. & Erie bill

Yours &c

Louis Blanchard
